INSTALL
Install the free TumbleBooks app from your preferred app store. Visit the website for the best subject search results at thecountylibrary.org/DigitalLibrary

LOGIN
Open the TumbleBooks app. Follow the steps to select library and choose Salt Lake County Library. Finally, enter your library card number. The app is best viewed in landscape mode. The categories are best viewed on the website.

BROWSE & SEARCH
You may now browse the library's collection by scrolling down in the app or selecting a category tab on the website. On the app you may view the story books collection and keep track of your history and statistics on "My Cloud." The website provides more versatile collection browsing. View genres in easy-to-view tabs at the top. Browse eBooks, eAudiobooks and eVideos, in addition to learning languages, and puzzles and games. You may search for a book or change your language preference at the top right.

BORROW & READ, LISTEN, OR WATCH
Simply click on the cover art to read/play your selection. Titles may be added to your favorites or to a playlist. "Favorites" are found at the top of the screen for easy access. "Playlists" can be created in advance for continuous enjoyment. After clicking on the cover art, you may find additional information such as a summary, book details, time it takes to complete the item, and even leveled reading information.
